President's Report

Larry Falsetta

President

Vice President's Report

Jim Brown

Vice-President

April News from Larry:

You know that April 15th is just a few days away. Filing season has been rough, not from an auditor standpoint but trying to get claims in before the magical statute date. I apologize for the meeting on the 9th.

Let me give you an update on what is going on. You will notice in this newsletter the dues renewal. We looked at last year's budget and decided to maintain the dues at the same rate as previously. We are very sound financially as a club and we can see no need for any increase. Dues are due May 1, 2014 and delinquent June 1, 2014. In order to keep the mailing lists up to date please submit a completed renewal form with your check. We will change the combination in June. While I am on the subject of the combination, I received a letter from the State concerning access points on the range. Apparently, there are some people not interlacing the locks at other access points. I think we are pretty good about this and I thank everyone for this. You may notice color coding on the locks, the state is trying to establish a coordination of those who have access. Once this starts I will notify everyone.

Norm Berger has located a place to get the drain tubing for the Gremlin build. I plan on going there next week and picking up a few lengths. Walt has been working on an electric version and he has sent me sketches of modifications on the length. As soon as he has proven his concept we will incorporate this into the build.

You should have all received an email calling for volunteers for the work day on April 26th. Please take a look at that list and volunteer so we can keep our club as one of the friendliest places to fly.

Larry

Minutes Crosswinds R/C Club Meeting

Date: March 12, 2014
Location: Parker Firehouse
Attendance: 11 Members

The meeting was called to order by President Larry Falsetta at 6:30 PM and the Pledge of Allegiance was recited.

The minutes of the February 12, 2014 meeting were approved as they appeared in the newsletter.

Secretary/Treasurer's Report:

Dan Cunningham reported that the club currently has three accounts at 1st Bank of Centennial. The security time deposit account has a balance of \$X,XXX.XX; the club checking account has a balance of \$X,XXX.XX and the time deposit account a balance of \$XX,XXX.XX.

Expenditures for the period of March were \$90.00 paid to the AMA for the club charter.

President Report:

Gate locks need to be interlaced on the main gate.

Vice-President Report:

Jim requested members to head up events this summer. The list of events is in the newsletter. We will need volunteers to assist the day of the event.

Hello Parker Crosswinds Members,

We had a great day at the CPR refresher course. The program was concise with a focus in hands on training. I would like to thank all the members who turned our for the event.

There are no safety incidents reported to me for the spring so far. If you ever have an issue feel free to contact me to voice your concerns. Have a great spring and see you at the field workday!

Ed Eversole

Safety Officer

Safety Officer Report:

CPR class will be held April 5 at the Rattlesnake fire house.

Member at Large Report:

Walt is preparing a spring punch list of the items that need attention this spring. Walt will send picture and the list to member looking for volunteers.

Membership Director Report:

We currently have 74 members that are new or have renewed as of 3/31/14

Communication Director Report:

No report.

Old Business:

None to report.

Activities:

The next activity up is the field work day.

New Business:

Larry has several sheets of peg board that could be installed in the shed to get the tools off the ground and make more room.

Meeting was adjourned at 7:10 pm.

Submitted by Dan Cunningham, Secretary/Treasurer
